ROB BURROW LEEDS MARATHON

In Partnership with **Clarion**

OTLEY

The Rob Burrow Leeds Marathon takes place on Sunday 14 May 2023 and will require road closures and parking restrictions in your area. Over 12,000 participants will take on the 26.2-mile course, which starts and finishes at Headingley Stadium. The circular marathon route will take in some of Leeds most scenic countryside and outer suburbs, journeying around Woodhouse Moor before travelling up through Headingley, Adel, Pool in Wharfedale, Otley and Bramhope and back for the big finish.

This leaflet provides specific access details for Otley residents.

You'll find further information, including a list of Vehicle Crossing Points to help drivers cross the route safely, at www.runforall.com

ROAD CLOSURES

The circular marathon route will see runners entering Otley from Pool in Wharfedale along the A659 Pool Road, down Walkergate to Charles Street, and then back onto the Leeds Road via Gay Lane.

Roads around Otley will close from 0900.

Roads will re-open as soon as it is safe to do so and the final runners have passed through the area. In Pool in Wharfedale village this will be from 1345.

Pool Road to Otley opens from approximately 1430 and the crossing by the old Dyneley Arms (Pool Bank New Road) will open from approximately 1515.

A full interactive map of all the road closures, timings and diversions can be found at runforall.com

ACCESS / EGRESS

Access and egress for residents within the Mill Way estate, will be via Mill Lane. The bus bollard currently preventing this will be lowered on Sunday 14th May.

For movement across Leeds east to west and vice versa, please use the signed diversion via Kirkstall Road, Inner Ring Road and Scott Hall Road.

VEHICLE CROSSING POINTS

There are points across the route indicated [here](#) where we will facilitate vehicle crossing points, these are as follows;

- Fairfax Street to East Chevin Road up to 1015.

PLEASE NOTE; Fairfax Street will have the one-way suspension relaxed to allow vehicles to cross in both directions.

Residents are advised that vehicles will NOT be able to cross while there are participants on the Carriageway.

PARKING RESTRICTIONS

Any vehicles parked on the route will be removed. Please assist us by moving your vehicle off the route on the evening of Saturday 13 May. If your vehicle is relocated by event contractors, please contact Run For All.

To improve the traffic flow along this road, in particular for buses, Burras Lane and Beech Hill will also have parking suspensions and no waiting restrictions in place from 1600 on Saturday 13th May.

BUSINESS & TRANSPORT

We hope that businesses will remain open as usual on the day and have been in touch with them to encourage them to remain with the expectation of large numbers of spectators watching across the marathon route. Please check with the businesses that they will be open prior to visiting them.

Some bus services will be displaced and diverted by the marathon route, therefore we advise that you check via one of the following methods, prior to travel;

- Bus service providers website (i.e. First Bus)
- West Yorkshire Combined Authority website – will detail bus diversions and alterations
- Bus stops will advise of changes to normal services
