In accordance with traffic authority regulations for Lincolnshire County Council, an order has been made prohibiting and restricting the use of certain roads and road junctions by vehicles in order to facilitate the safe holding of the City of Lincoln 10K and Mini & Junior Runs. The events will require the closure of roads and road junctions as well as the suspension of a number of Traffic Regulation Orders.

Please note Official Temporary Traffic Regulation Order will be in place from Friday 16:00 through to Sunday 16:00.

Below is a full list of road closures, including approximate times, which are subject to change. Where possible, roads will be re-opened following the final runner and the removal of all equipment and staff.

Please be aware that all roads either crossing or having a junction with the listed roads will also be closed.
