VEHICLE CROSSING POINTS

Leeds Marathon & Half Marathon on Sunday 12th May 2024

For safety purposes it is essential that the road closures start to be implemented from 06:30 – 09:00 on Sunday 12th May. Further details and information around road closures can be found here: https://www.google.com/maps/d/edit?mid=1RPoEFEu1x_MdblsB1-JrLt4X6DhgRkbN&usp=sharing

We are conscious however, that there are points across the route where runners won't approach until later in the day, so where possible we try to maintain access crossing points at areas which may well be landlocked.
