

## VEHICLE CROSSING POINTS

Yorkshire Marathon - Sunday 15<sup>th</sup> October 2023

For safety purposes it is essential that the road closures start to be implemented from 08:00 – 09:00 on Sunday 15<sup>th</sup> October 2023. Further details and information around road closures can be found here:

We are conscious however, that there are points across the route where runners won't approach until later in the day, so where possible we try to maintain access crossing points at areas which may well be landlocked.
