

2020 Event Postponement Statement

Firstly we want to wish you, your friends and family all the best. We hope you are keeping safe and well during these challenging times.

We would also like to thank you for your continued support and patience over the past few months. We know you have been eager to hear news regarding the **Middlesbrough Running Festival** and whether it will take place this year and so we thank you for giving us the time to review our plans.

Like you, we at Run For All, along with Middlesbrough Council and Everyone Active have been monitoring the situation on a daily basis and seeking guidance from the UK Government as to the next steps with regards the potential for events to take place later this year.

Given the current position, we feel it very unlikely that the Middlesbrough Running Festival will be able to go ahead this year.

Therefore, unfortunately due to COVID-19, the **Middlesbrough 10k, Ali Brownlee 5K, Middlesbrough Fun Run and the Schools Challenge** have been postponed to **September 2021** (Exact date to be confirmed). Like you, we are disappointed that our return to Middlesbrough will have to wait another year.

We appreciate this will be disappointing news for everyone, especially the charity partners but unfortunately we are left with no other options this year.

All entries will be transferred to the new date in 2021 and as soon as the exact date is confirmed with delivery partners, we will be in touch with you the entrants to advise of the new date.

Unfortunately, we are not in a position to be able to offer refunds. This is as per our standard terms and conditions.

We really hope we will see you all on the start line next year, but in the meantime, we would ask you to stay safe, stay well and keep active.

On behalf of the Run For All Team, Middlesbrough Council and Everyone Active can we thank you for your continued support and patience.
