

YORKSHIRE MARATHON FESTIVAL: SUNDAY 16th October 2022

ROAD CLOSURES AND RESTRICTIONS

IMPORTANT INFORMATION FOR RESIDENTS AND BUSINESSES

RACE START TIME: 09:30
ROUTE CLOSURES FROM: 06:00

Marathon Yorkshire are pleased to, once again, be working in partnership with City of York Council, Ryedale District Council, North Yorkshire County Council and East Riding of Yorkshire Council to deliver the seventh Yorkshire Marathon including the Yorkshire 10 Mile.

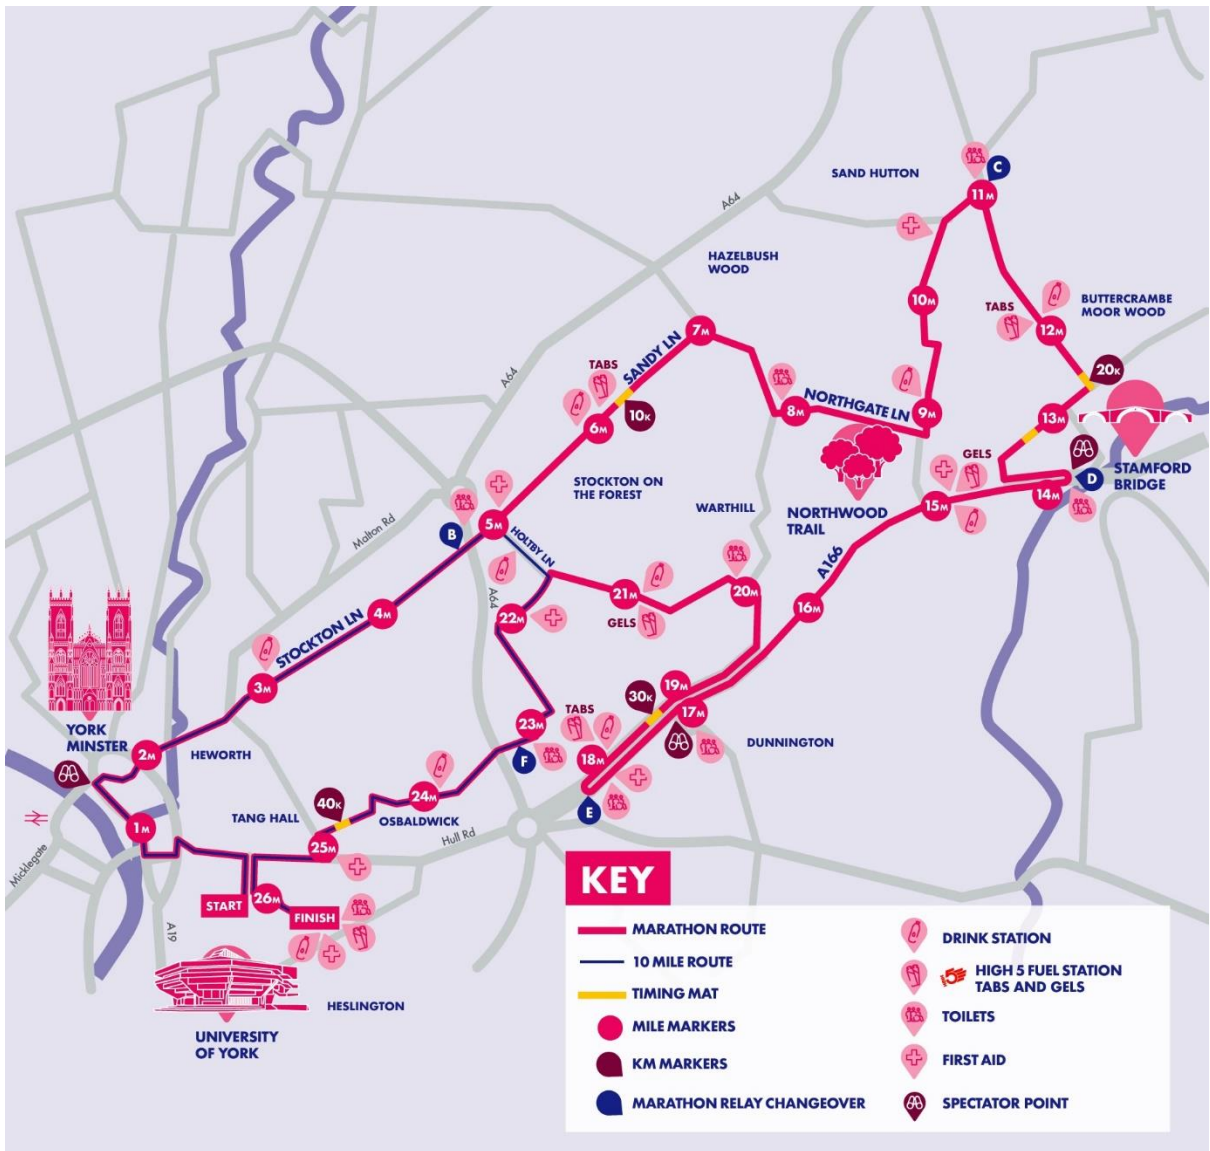

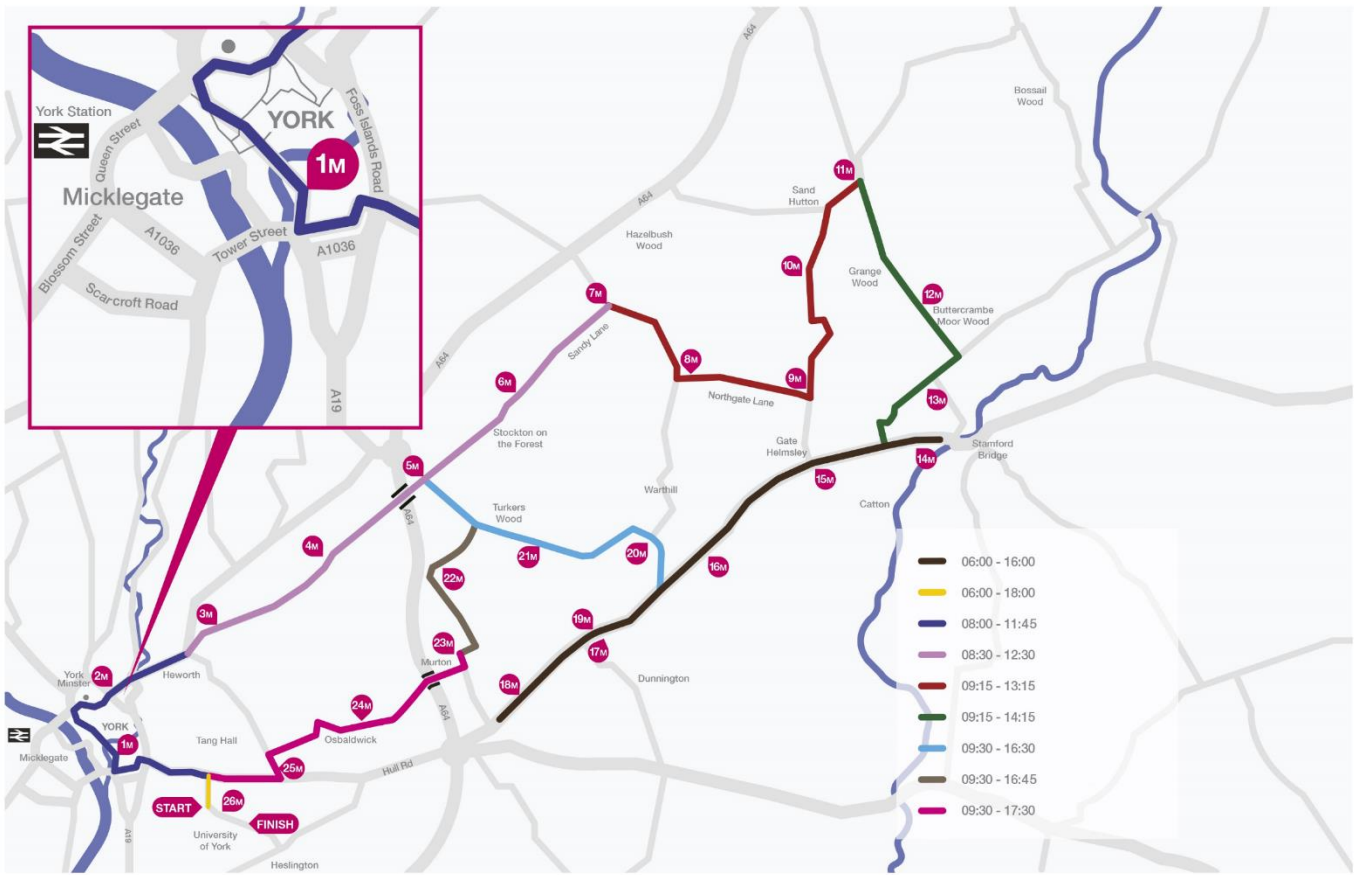

In accordance with traffic authority regulations for the City of York, North Yorkshire and East Riding of Yorkshire, an order has been made prohibiting and restricting the use of certain roads and road junctions in order to facilitate the safe holding of the Yorkshire Marathon and Yorkshire 10 Mile. The events will require the closure of roads and road junctions as well as the suspension of a number of Traffic Regulation Orders between 10:00 on Saturday 15th October and 21:00 on Sunday 16th October 2022. Parking suspensions and a tow order will be in place across the route.

Affected roads and areas on route are detailed below along with approximate closure timings. Roads have been grouped into coloured zones - please see the route map overleaf. **Any roads either crossing or having a junction with the listed roads will also be closed at that point. All times are approximate and subject to change. Access for emergency vehicles will be maintained throughout the event. Please note that there will be a number of entertainment points on the route – noise levels will be raised at these locations.**

Bus diversions during Yorkshire Marathon

Many city centre roads and bus stops will be closed during the event.

Most bus services will be on diversion, with delays expected on all routes.

For more information, please see **www.itravel.york.info**, call 01904 551400 or email buses@york.gov.uk.
We apologise for any inconvenience.
